

More Than Meets The Eye

Yodelice

You are the one
Let's have some fun
You show I run
You are the one
There's more to us
Than meets the eye
More to the world
Than you and I

Unsmooth me about
Ruffle me up somewhat
Bring me a bit of what
You think I haven't got

Be my someone
My once upon
Our one on one
Let's come undone
There's more to us
Than meets the eye
More to the world
Than you and I

Unsmooth me about
Ruffle me up somewhat
Bring me a bit of what
You think I haven't got

Shockproof me about
I'll be dead in a bang
I know you'll have my back
You won't leave me to hang

Unsmooth me about
Ruffle me up somewhat
Bring me a bit of what
You think I haven't got

Shockproof me about
I'll be dead in a bang
I know you'll have my back
You won't leave me to hang x2
