Don't Count the Waves

Yoko Ono

```
Don't count the waves,
Don't count the waves.

Don't count the waves,
Don't count the waves.

Don't count the waves,
Don't count the waves.

Don't count the waves,
Don't count the waves.

Don't count the waves,
Don't count the waves.

Don't count the waves,
Don't count the waves.

Don't count the waves,
Don't count the waves.

Don't count the waves,
Don't count the waves.

Don't count the waves,
Don't count the waves.

Don't count the waves,
Don't count the waves.

Don't count the waves,
Don't count the waves,
Don't count the waves.

Don't count the waves,
Don't count the waves.

Don't count the waves,
Don't count the waves.

Don't count the waves,
Don't count the waves.

Don't count the waves,
Don't count the waves.
