This is hell in paradise
We're all asleep or paralyzed
Why are we scared to verbalize
Our multicolor dreams?

When will we come to realize We're all stoned or pacified While the boogie men organize Their multilevel schemes

Underqualified for love Overqualified for life Sticking our heads in slime Thinking we're in our prime

Mesmerized by mythology Hypnotized by ideology Antagonized by reality Vandalized by insanity

Desensitized by fraternity Sanitized by policy Jeopardized by lunacy This is hell

Penalized by apathy
And living in the world of fantasy
Dancing on hot coal, waiting for the last call
It's Adam's ball, Eve's call

Wake up, shake up
Check out, work out, speak out
Reach out, it's time to, time to, time to
To, to, to, to, to, to, to, to, to, to

This is hell in paradise
None of us wish to recognize
But do we want them to materialize
An endangered species?

Exorcise institution
Exercise intuition
Mobilize transition
With inspiration for life
