

Never Say Goodbye

Yoko Ono

Never say goodbye,
Never say goodbye,
You say tomorrow's another day,
All I know is we're here today.

I've got nightmares I could never share with you,
The kind that keeps me up all night.
So hold me tight till the room is light
And tell me that it's all right.

(oh-oh-oh-oh-oh - oh-oh-oh)

Never say goodbye,
Never say goodbye,
We may go our separate ways some day,
But we know we shared our dreams today.

I've got nightmares I would never wish on you,
The kind that keeps me down all day.
So hold me tight till the sky is light
And tell me that it's all right.

$$(oh-oh-oh-oh-oh - oh-oh-oh)$$

Never say goodbye,
Never say goodbye.

Yoko!!
(it's getting light)

Mummy, mummy.

$$(oh-oh-oh-oh-oh - oh-oh-oh)$$
[illegible]

(never say) goodbye,
Never say goodbye,
(never)
