

Open Your Box

Yoko Ono

Open your box,
Open your box,
Open your trousers,
Open your thighs,
Open your legs,
Open, open, open, open, oooh.

Open, open, open, open,
Open your legs,
Open your flies,
Open your ears,
Open your nose,
Open your mouth,
Open, open, open, open, oooh.
Open.

Open your cold feet,
Open, open,
Open, open, open, let's open, let's open the cities.

Open the cities,
Open, open, open the world,
Open, let's open the world.

Open, open, oooh -
Open, open, ooh!
