## **Battle Is The Lord's**

**Yolanda Adams** 

There is no pain Jesus can't feel No hurt He can not heal All things work according to His perfect will No matter what you're going through Remember God is using You For the battle is not yours It's the Lord's

There's no sadness Jesus can't feel And there is no sorrow that He can not heal For all things work according to the Master's holy will No matter what you're going through Remember that God is only using You For the battle is not yours It's the Lord's

It's the Lord's Yes It's the Lord's Hold your head up high Don't you fright It's the Lord's It's the Lord's Yes It's the Lord's

No matter what You're going through Remember that God Only wants to use you For the battle is not yours It's the Lord's

No matter what You happen to go through right now Remember that in the midst of it all God only wants to use you No matter what you're going through For the battle is not yours It's the Lord's

No matter what it is That you're going through Hold your head up, stick your chest out And remember He's using you No matter what you're going through God is only using you

For this battle is not yours alone This battle is not yours, no You can not handle it all by yourself No, no, no, no, no, no It's not yours This battle is not yours It's the Lord's, not yours

This battle is not yours

The Lord is the only one who can fight it He wants to use you as His vessel So be open to Him It's not yours No It's not yours It's the Lord's, not yours

The battle is not your's It's the Lord's

Hallelujah Yeah!
