Be Be Winans I used to think that I could not go on And life was nothing but an awful song But now I know the meaning of true love I'm leaning on the ever lasting arms If I can see it Then I can do it If I just believe it There's nothing to it I believe I can fly I believe I can touch the sky I think about it every night and day spread my wings and fly away I believe I can soar I see me running through that open door I believe I can fly I believe I can fly See I was on the verge of breaking down Sometimes the silence could seem so loud There are miracles in life I must achieve But first it's got to start inside of me If I can see it Then I can do it If I just believe it There's nothing to it I believe I can fly I believe I can touch the sky I think about it every night and day spread my wings and fly away I believe I can soar I see me running through that open door I believe I can fly I believe I can fly Cuz I believe in me, yea, yea, oh, oh, oh, oh If I can see it Then I can do it If I just believe it There's nothing to it, oh I believe I can fly I believe I can touch the sky I think about it every night and day spread my wings and fly away I believe I can soar I see me running through that open door I believe I can fly I believe I can fly

```
I believe I can fly, I can fly
I believe I can fly, I can fly
I believe I can fly, I can fly
I can do anything yea, yea, yea.yea
I can fly
I can fly
I can fly
I can do anything, yea, yea, yea

Anything I wanna do (Anything I wanna do)
Anything I wanna do (Anything I wanna do)
I can do anything
I can fly
```
