

Just a Prayer Away

Yolanda Adams

I know that there are times in your life
When the wheels just seem to turn
And uncertainties about your tomorrow seem to grow

One thing you should remember
And you should always know
Out of everyone who loves you
I love you the most

I am just a prayer away
Call My name with your heart
And I'll hear every word you say

When you cry at night
I'll wipe the tears away
Just pray, my love
And I'll be there right away

You will never have to wonder about My love
Just put your faith and trust in My care
I will always be there to hold you in my arms

When you're afraid don't worry
I'll protect you from the storm
Out of everyone who loves you
I love you the most

I am just a prayer away
Call My name with your heart
And I'll hear

I am just a prayer away
Call My name with your heart
And I'll hear

I am just a prayer away
Call my name with your heart
And I'll hear every word you say

When you cry at night
I'll wipe the tears away
Just pray my love
And I'll be there right away
