

More Than a Melody

Yolanda Adams

In the still of a moment; my voice can be heard
So listen carefully, there music inside each word
I am the Composer of the melody of life
Take upon my yoke learn of me, I'll be your guiding light
I am the Director, Be part of My symphony
I speak peace unto the storms; even the winds obey Me
Let me be your song, you'll never have to walk alone
I will help carry on (carry on)

Verse 2:

I am the music within the inner ear
Hearken unto my voice, I'll declare I'll draw near
I am the rythm to every beat of your heart
If you place your trust in me I'll never ever part
Let Me be your song you'll; never have to walk alone
I will help you carrrrry on (onnn)

Pre-chorus:

When the notes are formed (They make)
They make a special sound (the music inside the music)
The music inside the music; that lifts me when i'm down (i'm more
than)
More than the beat of time (so much more) more than the lyric more
than
More than just a melody (More than just a ryhme)
More than just a rhyme; more than just a melody; come unto me

Chorus:

Ohh, ohhhhh, ohhh, ohh
ohh, ohh, ohh, oh, ohhhhhhhhhhhhhhhhhhhhh
More than just a melody (i'm your closet friend i'll be there to
the end)
More than just a rhyme (Shelter in the time of the storm; you'll
never
have to be alone, now)
More than just a melody (trouble won't last always when you
realize
that iam)
More than just a rhyme (you won't to live each day alone because
I am
more)
More than just a melody (more than just a song to sing more than
the
beat moree, morree)
More than just a melody (More than anything you've experienced
i'm
more yeh)
More than just a
melody (Morrrrrrrrrrrrrrrrrrrrrrrreeeeeeeeeeeeeeeeee)
More than just a melody (Yes, Yes i'm more)
More than just a melody
More than just a melody
More than just a melody
