

# O Holy Night

Yolanda Adams

O holy night, the stars are brightly shining,  
it is the night of the dear Savior's birth.  
Long lay the world in sin and error pining,  
'til He appeared and the soul felt its worth.

A thrill of hope, the weary world rejoices,  
for yonder breaks a new and glorious morning.  
Fall on your knees,  
oh hear the angel voices,  
oh night divine, oh night when Christ was born.  
Oh night divine, oh night when Christ was born.  
Verse 2:

Led by the light of faith serenely beaming  
with glowing hearts by His cradle we stand.  
(O holy, O holy night), O holy night.  
Led by light of a star sweetly gleaming,

here came the wise men from Orient land.

A thrill of hope, the weary world rejoices,  
for yonder breaks a new and glorious morning.  
Fall on your knees,  
oh hear the angel voices,  
oh night divine, oh night.

This holy night, God gave His Son,  
so we might have life,  
(this holy, this holy night).  
This holy night, God gave His love,  
God gave His love,  
(Your love is holy).  
And the angels up above  
saying, don't be afraid  
(this holy, this holy night).  
Born to You this day is a Savior,  
so don't be afraid, so...

Fall on your knees,  
oh hear the angel voices,  
oh night divine, oh night when Christ was born.  
Oh night divine, oh night when Christ was born.
