

Only Believe

Yolanda Adams

All things are possible
If you only believe
Yeah!
If you're looking for a miracle
Just believe
Only believe
If you only believe
If you need salvation
Just believe

Only only believe
only
All things are possible
Only
believe all things are possible
Never ever doubt his promises
if you'd only believe

From the cross to the throne
From death to life
You went for his own
And paid the price
You could believe

Only
Only believe
All things are possible
Believe
Only
Only believe
All things
Are possible
With all your heart
Never ever doubt his promises
If you'd only believe yeah

Now he goes
he goes ahead
Your shepherd knows the path you tread
All power on earth and above he gives
To those whom he loves
Why don't you believe?

Only
Only believe
All things are possible
Have faith and
Believe
Only
Only believe
All things
Are possible
All you have to do is believe
With all your heart
Never ever doubt his promises
If you'd only believe yeah
Oh he'll never

forsake you won't leave you alone
I've been there and he won't
He will never leave you alone
I know he won't
I know he won't
Fear and doubt
He'll bring you out

Faith the size of a mustard seed
To moving mountains and parting seas
To heal the sick and victory
Fear not children just believe
Jesus can and Jesus will
Jesus walked the rugged heal
To bring you peace and prosperity

Only
Only believe
All things are possible
Believe
Only
Only believe
All things
Are possible
With all your heart
Never ever doubt his promises
If you'd only believe yeah

Only
Only believe
All things are possible
He wants the best for you
All that you gotta do is just believe
He'll come to pass
He'll come to pass
He'll come to pass
If you'll only believe
Believe!
Ow ow
All things are possible
Only
Believe
All things are possible
Never ever doubt his promises
If you'd only believe
Only
Only believe
All things are possible
Only
Only believe
All things
Are possible
Believe in your heart
Believe
Never ever doubt his promises
If you'll only believe yeah
