

Open My Heart

Yolanda Adams

Alone in a room
It's just me and you
I feel so lost
Cause I don't know what to do
Now what if choose the wrong thing to do
I'm so afraid, afraid of disappointing you

So I need to talk to you
And ask you for your guidance
Especially today
When my world seems cloudy
Guide me until I'm sure
I open up my heart

My hopes and dreams
Are fading fast
I'm all burned out
And I don't think my strengths gonna last
So I'm crying out
Crying out to you
Lord I know that you're the only one
Who is able to pull me through

So I need to talk to you
And ask you for your guidance
Especially today
When my world seems cloudy
Guide me until I'm sure
I open up my heart

So show me how
To do things your way
Don't let me make the same mistakes
Over and over again
Your will be done
And I'll be the one
To make sure the it's carried out
And in me, I don't want any doubt
That's why

I need to talk to you
And ask you for your guidance
Especially today
When my life is a little bit cloudy
Guide me until I'm sure
I open up my heart

All I need to do
Is hear a single word from you
I open up my heart
Just one word could make
A difference in what I do Lord
I open my heart to you

You're the lover of my soul
Captain of my sea
I need a word from you

That's why I open up my heart
