

# Time to Change

Yolanda Adams

We got something to say  
Ya' know  
It's wanna those joints here

Yolanda  
Umm, Hmm...  
Check this out  
Ya know  
It's time to change  
Yolanda

Chorus  
It's been to long it's time to change  
Can't get away with every thing,  
Please tell me why you wait  
Gotta answer for yourself someday

A man that I know from the neighborhood  
Whenever I see him he's up to no good  
Taking from others to get what he wants  
and  
He thinks that there's no way he'll ever get caught.

Chorus

Husband and wife a baby girl, there happy  
But then there's a woman from down the street  
Writing letters and  
Sending pictures and,  
Doing all that she can  
Tyring hard to gain  
The attention of a married man (girl ya' wrong now)

Ya, story is  
I'm just a kid, and it's all in fun  
Ya never stop  
To reilize ya hurting someone  
How would you feel if everything was turned around  
And everyday somebody was putting you down (ohh.. too long)

Chorus till end
