

## Another Day

Yonder Mountain String Band

When the rain is fallin' you can hear me callin'  
Been gone so long that I wanna cry  
In all the cities that I see, this open road has taken me  
To another place far away from you

I close the door behind me and fall onto the bed  
There's nothing on the TV and not much in my head  
When I think of you it makes me smile and I realize  
It's another day without you

Now wait for me little darling  
I'm coming home, I hope you'll understand  
I long for you little darling  
Can't wait till I can see you again

And as the days turn into weeks  
I'll call you when you're fast asleep  
The air outside is cold enough to snow  
In all the little towns I see  
Another road has taken me  
To some other place far away from you

The man behind the counter says room 225  
I can't recall the place I'm in by the looks inside  
And sure as every hotel looks the same I realize  
It's another day without you

Can't wait till I can see you again
