**You Am I**

I hand you a card  
Why don't I give you a ring?  
They'd be a great band  
If that guy could sing  
Dresses like Lee Marvin  
Dances like Dave Graney  
And he'll do anything  
If you just promise to pay him  
They just started in the bedroom  
It's a legal thing  
That old pair of shoes will  
Always let you down  
No matter how good they look  
The sex would always drown  
Sorry I can't work you're my ???  
Two more hours go  
And the minute's just dying  
They just started in the bedroom  
It's a legal thing  
I hand you that card  
Why don't you give me a ring?  
They'd be a great band  
If that guy could sing  
Dresses like Lee Marvin  
Never dance like Dave Graney  
And he'll do anything  
If you just promise to pay him  
They just started in the bedroom  
It's a legal thing
