

## Forever And Easy

You Am I

You can dress my riding just because it's a Sunday  
You can feel me riding just because I'm cheap  
If you want to claim it a "boy's own" ending  
If you just want to win it just for the team  
Yeah, I'm free  
I'm free  
You can feel me up and I'll pretend you're someone special  
I can make you believe I'm only in it just for the bleed  
Yeah, but if you want to claim shit on any kind of ending.  
If you want to break my ass and leave  
Yeah, I'm free  
Why ain't I free  
Take me easy and I can take your time.
