

Young Man Blues (Live)

You Am I

Well the young man ain't got nothing in the world these days
I said a young ain't got nothing in the world these days
You know in the old days when a young man was a strong man
All the people they stepped back when a young man walked by
But you know nowadays it's the old man whose got all the money
and the young man ain't got nothing in the world these days
In the old days every cunt like you stepped back
When a young, skinny, faggy looking guy walked by
Walked by. Walked...
They stepped back
These days if you're the young man you ain't got nothing in the world these days
You've got nothing, nothing
You've got sweet fuck all
