

Loverboy

You Me at Six

Da da da da da da da da...

Hell had you by the throat
You never got to heaven
But you got real close
Your past has you in a chokehold,
But you deserve it from what i've been told
Call my bluff say what you want,
I'm looking down at you from the top,
I beg for attention in small doses,
Leave the scene smelling of dead roses

Loverboy, you played those hearts like toys
Don't you feel bad, don't you feel bad?
feel bad for them.

This is your night with arms wide open,
I'm the option you shouldn't have chosen,

Scared of the dark the door's wide open
This is a night you'll regret in the morning.

Loverboy, you played those hearts like toys
Don't you feel bad, don't you feel bad?
Fell bad for them

Given the choice would you do it again?
Of course I would, of course I should,
Well I'm your friend, friends with benefits.

Da da da da da da da da..
Loverboy, you played those hearts like toys,
Don't you feel bad, don't you feel bad?
Feel bad for them.

Given the choice would you do it again?
Of course I would, of course I should,
Well I'm your friend, friends with benefits.
