

## Save It for the Bedroom

You Me at Six

Keep your hands to yourself, these lips belong to someone else  
And you know that you, will never get on it, it  
Keep your lies to yourself, every lie I've heard from someone else  
And you know that you, you'll never get on it.

Well I sussed you good, you knew I would  
Oh haven't you heard your just another mark on my shirt  
Another night and another girl  
Oh well I taste so good  
You knew I would

So who's keeping score on who is a whore  
With you by my side, that look in your eyes  
I hope you don't

Go home and wash your jeans, 'cause theres dirt on the knees  
And jealously doesn't sit with me  
You love, I love you too, below the waist I'll start charging you,  
'Cause that's just how the players play the game  
And my winning streak, is missing.

So who's keeping score on who is a whore  
With you by my side, that look in your eye  
I hope you don't

So who's keeping score on who is a whore  
With you by my side, that look in your eye  
I hope you don't

You whore.

Save it for, save it for the bedroom  
Save it for, save it for the bedroom  
(Save it for, save it for the bedroom, save it for, save it for the bedroom)  
(5x)

Well save it for the...  
Save it for the bedroom  
Oh, I'll save it for the...  
Save it for the bedroom
