

## Win Some, Lose Some

You Me at Six

If I'm gonna die I'm not gonna die on my knees.  
If there's bigger plans then someone read them out to me.  
Has this life been a rehearsal for better things,  
or have you been wasting your time, your time with me?

Get away, get away, get away from me.  
I'm moving on, moving on to better things.  
And I got no time to explain what you see.  
So let me lead the blind indefinitely.

Yes, you win some and you lose some.  
I've been losing for a while now.  
And you win some and you lose some.  
And I've been keeping count.  
I said oh, my hope is gone.  
I said oh, my hope is gone.

In this life I sing til I get chest pains.  
I'm in a different district, Hunger Games.  
I don't know if I'll make it anymore.  
Put me, put me on a pedestal.  
Let's see, let's see if I rise or fall.  
At least I'll be in flight, I ain't scared anymore.

Yes, you win some and you lose some.  
I've been losing for a while now.  
And you win some and you lose some.  
And I've been keeping count.  
I said oh, my hope is gone.  
I said oh, my hope is gone.

Get away, get away, get away from me.  
I'm moving on, moving on to better things. (4x)

Yes, you win some and you lose some.  
I've been losing for a while now.  
And you win some and you lose some.  
And I've been keeping count.  
I said oh, my hope is gone.  
I said oh, my hope is gone. (2x)
