

# One Hit Wonder

Young Cash

Turn up the radio!  
Turn up the radio!  
It's Joe Galaxy!  
Hey, it's like hearing your favorite song  
Playing on the radio, pounding on,  
And you can't get it, I'll show it no, no, no!  
But you did know it won't be long  
Before the little song you like is gone,  
Before you know it it's been... oh, oh!

But that's not me, I'm only... you and me,  
Girl of my dreams will fill all of my fantasies.  
Trust in me! It's more from where all this came from,  
My own melody!  
One hit wonder!  
How do I... wonder where I've been!  
No! You wanna be a one hit wonder!  
How do I... wonder where I've been!  
No! No more mistakes!

You gave him all your love,  
You thought you can trust him,  
Now he don't even call you more,  
He don't even text you more,  
He...  
You thought you had yourself a real,

Yeah!... and he don't know how you feel, don't!

But that's not me, I'm only... you and me,  
Girl of my dreams will fill all of my fantasies.  
Trust in me! It's more from where all this came from,  
My own melody!  
One hit wonder!  
How do I... wonder where I've been!  
No! You wanna be a one hit wonder!  
How do I... wonder where I've been!  
No! No more mistakes!
