On the way to this paper, gotta go get it Ben' Franklyns never sleep so me neither Yeah, you know how we go slow moving, runnin' fast never slow Go get you own connect & watch how fast your money grow Wow, never put my trust in a ho, no I was born to be a fuckin' playa that's fo'sho And I ain't just talkin' about having different hoes Ain't you a player when you kick it whenever you want? I'm in South Memphis smoking kali weed & roll cones My and my on my 'lone If you ain't talking 'bout money then catch the dial tone

I roll one up, put it to the five Relax, inhale then I get blow'd I call her she came over Lookin' hella good I said: "Excuse me Ma'am, can I get blow'd?"

I'm standin right here but my mind gone I woke up this morning with my mind on Mula, middle finger to you Approach me the wrong way and the burner gonna BOO-YA She say "Wassup?" and I said "I just tryna get blow"d" I got bread but on my way schemin' to get mo' You smokin' good but I only smoke the best dope Come out everyday, fresh as fuck like is my dress code I light one up, inhale then exhale I always been different I gone left here Nigga turn that shit up I like my bass loud Said have a private smoke session and now a space tour

I roll one up, put it to the five Relax, inhale then I get blow'd I call her she came over Lookin' hella good I said "Excuse me Ma'am, can I get blow'd?"

Yeah
