# I Got This

**Young Dolph**

Stuuuupiiiidddd!
It's dolph!
Paper route empire

The streets callin', they say they waitin' on me,
My shit addictive, they gettin impatient on me,
High top ysl's and they laced up,
Straight up, I been caked up, I don't fuck with them niggas, they fake as fuck
Designer shoppin' in vegas, paper route we a-plus,
Fresh as fuck, ridin' through da city, with a red bitch in my banga,
I-independent nigga, couple labels wanna sign me,
Until they come with them 2 commas, then I'm still grindin,
Shoutout to my nigga juicy j, just because I'm a real nigga,
One of the first niggas in da game dat showed dat he a real,
Built this shit all on my own, go and ask my boy yo gotti,
Thanks to flyin gb, I feel like I don't need nobody,

I got this, I got this,
I told em since day one, I got this,
I got this, I got this,
I told my niggas just sit back and watch this,
I got this, I got this,
Made nigga right here, that's why I talk shit,
I got this, I got this,
Yo conversation ain't about money, then it ain't bout shit,

Light up my strong, dump my problems in the ash tray,
Say they smokin' gas, I got a gas station,
Heard a couple of my niggas slick hatin',
But if it ain't bout money, I ain't participatin',
My whole family, they need me, and I almost died 3 times,
That's I take the shit so serious, God already gave me 3 sign,
Most of these niggas pussies, and nawl ion like broke hoes,
While u was stretched out with dat nothin' hoe,
I was fuckin' bad bitches in my condo,
Smokin' extra loud, drinkin' sean don,
Gave johnny 30 racks and now my wrist numb,
If you ain't talkin' money, vatos adios,
Enough collard greens at my spot to go and cop a ghost,
Got the whole city sayin dolph you got it,
You can't get this shit nowhere, this dat blue magic,

I got this, I got this,
I told em since day one, I got this,
I got this, I got this,
I told my niggas just sit back and watch this,
I got this, I got this,
Made nigga right here, that's why I talk shit,
I got this, I got this,
Yo conversation ain't about money, then it ain't bout shit
