Young Dolph

It's Dolph, uh huh  
Yeah, hey

Shining harder than Times Square  
You can see the ice from a mile away  
Little nigga with a big bank  
Big pistol and a two toned Wraith  
Momma told me  
Don't fuck with these booster ass niggas cause they too faced  
Just spent me another 60k on me another big face  
You out here chasin' these nothin' bitches  
I just met me a bad bitch at the bank  
I don't kick it with fuck niggas or fake niggas cause I can't relate  
Tried to leave the streets but can't escape  
Takin' over shit, fuck being patient  
I told lil momma that ass so fat that she deserve a motherfuckin' trophy  
Lil nigga playin' with all the paper still gettin' geeked like I'm smokin'  
I'm already high as hell but the weed so good I keep rollin'  
Got a driveway full of foreign shit  
Everybody know I love a juicy bitch  
I smash her good then I lose the bitch

Yeah I got to get back to that paper  
No I ain't got no time for relations

Sippin' on syrup, tippin' strippers

The bad bitches love a nigga  
I'm nothing like the other niggas  
Only if you knew what I had to do to get it
