

# Snakes

Young Dolph

I still keep one in the head cause these niggas some snakes  
They wanna live the life you live they wanna be in your place  
Watch yo back up in these streets most these niggas is fake  
I can't trust none of these niggas I stay strapped everyday  
I still keep one in the head cause these niggas some snakes  
They wanna live the life you live they wanna be in your place  
Watch yo back up in these streets most these niggas is fake  
I can't trust none of these niggas I stay strapped everyday

I was strapped up with that thirty cause these niggas some pussies  
I was brought up with some a strap so I didn't never get bullied  
If a nigga try J fizzle he got catch one of these bullets  
Everybody wanna rock gang bang or slang on they corner  
There's some B's on these streets so don't get caught up on the corner  
I keep one off in the head when I when I post in the corner  
Ain't no telling who snitching ain't no telling who want ya  
Wide open all times I'll be damned to get caught lacking  
She like when rest I go to sleep with that package  
Sawed off in my jacket, graduated from jackin'  
You ain't really bout that action so you can stop that actin  
No I don't fuck with you niggas I don't like fuck niggas  
Stay the fuck from round me I give a fuck about you nigga  
Make me touch one of you niggas, you a sucker ass nigga  
These niggas getting faker, I guess I'm getting realer

I still keep one in the head cause these niggas some snakes  
They wanna live the life you live they wanna be in your place  
Watch yo back up in these streets most these niggas is fake  
I can't trust none of these niggas I stay strapped everyday  
I still keep one in the head cause these niggas some snakes  
They wanna live the life you live they wanna be in your place  
Watch yo back up in these streets most these niggas is fake  
I can't trust none of these niggas I stay strapped everyday

I stay strapped everyday, strapped with that K  
Got a balling habit so I stray strapped up with that cake  
Saw my old bitch she asked how I was doing  
Got 4 cali plugs fuck the rap game I'm forever straight  
Gotta lotta bread on my plate, got extra bread in a safe  
Bosses and shooters, shooters and bosses  
I think I'm Frank Lucas shipping Ps in coffins  
I'm so street that I just poured a four in my coffee  
I feel like I'm the realest nigga walking  
Ain't nothing but scaled and sandwich bags in here and this my office

I still keep one in the head cause these niggas some snakes  
They wanna live the life you live they wanna be in your place  
Watch yo back up in these streets most these niggas is fake  
I can't trust none of these niggas I stay strapped everyday  
I still keep one in the head cause these niggas some snakes  
They wanna live the life you live they wanna be in your place  
Watch yo back up in these streets most these niggas is fake  
I can't trust none of these niggas I stay strapped everyday

Can't trust all of these niggas cause the police they be lookin  
Fizzle got extensions and bino got cushions  
Bad attitude please don't push it

300 soliders with me crippling like?  
Don't think you shootin' be a real nigga  
You fake as yo chain I put yo face on some steal nigga  
I ain't signing no deal I want all my money  
You can't play me like a bitch and can't take nothing from me
