

They Watchin'

Young Dolph

If you a fuck nigga I can't fuck with you
Don't care if I just met you or grew up with you
If you a bad bitch lil mama then wassup with you
I wanna pick you up, smoke one and go have lunch with you
All of my niggas, my niggas forever
All of my bitches, my bitches forever
Now we in together, but she do whatever I tell her
Got work on the scale and the chopper on the dresser
I pour up the drank and don't measure
Stack paper just for pleasure
Ain't nothing but dollar signs across my whole schedule
Nowadays you can't pay a nigga to keep it real
