

## That's Right

Young Gunz

Haha, it's about time niggaz  
gangsta gangsta, a young gangsta, what you wanna b a gangsta, c  
an't stop me, gangsta gangsta, a young gangsta, what you  
wanna b a gangsta

Motha fuckas i'm comming down where it ain't nuttin nice, where  
niggaz hear that price and b at ya the same night, try to  
kill ya got a knife fuck a fight snatch ya life, i got thirty i  
n my rim pipe and motha fuck i can fight, they say we  
living but i say we just a light, eachothers crunches and these  
niggaz b unlucky, heavy and shit, unwilling to spit,  
knowing i'm like em baby brotha in tha crib and u b standing on  
a cliff i b witnessing a fifth, cuz i brought a lotta  
hollow tips just if you niggaz clipped and we ain't on tha same  
tip (shit), i got to bang at ya niggaz for tha love of tha  
figuers hell ya we kill eachother and kidnap they baby mothas a  
nd do dirt to ones that love us, yeah ones like no otha  
sorta like ya brotha and i got my niggaz covered as long as i'm  
alive they alive promise i'm gon' ride and never play both  
sides

Don't bust and keep back now i bet you get clapped clown and yo  
u wont come back round once you hear how that mack  
sounds i bet ya you'll back down ya know how to act now on ya l  
ife, niggaz i put a price that's right

Uh thats where we live at war, bring it where your kids at, we  
your enemies where eva you get at, nigga you get back or  
get your motha fucking head cracked thats where we live at, at  
least a hundred thousand just to get your  
kids back, unsolved about that kidnap all about that rift raft  
when you wasn't wit that ?? so loud for tha crowd you  
niggaz get back, in tha clouds when you Lakers all that chit ch  
at, i got a fifth mag thinkin you a shit bag, running on  
tha ends these niggaz put ya in them pens, staples r crazy, you  
fuckas shouldnt play me, multiple stab wounds caught em  
slippin should a had guns up in tha backroom, now tha lord will  
see em soon, we get it all late, midnight or early  
afternoon when eva where eva wit that motha fucking chedda yep

Don't bust and keep back now i bet you get clapped clown and yo  
u wont come back round once you hear how that mack  
sounds i bet ya you'll back down ya know how to act now on ya l  
ife, niggaz i put a price that's right

Most defently niggaz wont get tha recipe, tha flows stupid it's

much more then music, what you tryin to get at homie i've been through it, so don't b talk foolish cuz your life you will loose it, as soon as i pull it start the finger movement and bullets start comming out tha top and motha fuckas yelling down tha block screaming out somebody got shot and he left this shit a mess, ambulance it was left, i'm a bitch wit tha tech, i wont let ya get a breath, if ya reach then you wacked from your feet to ya kneck, if you come around tha set you wont make it out to tell it, flesh rushin from tha pellets, in they clothes you can smell it, no witnesses to tell it, you fuc king wit a two time fellon and still i'll put two to ya mellon and open you up, yeah you pussies started it but, don't what none of Buck put ya runners up i don't give a fuck

Don't bust and keep back now i bet you get clapped clown and you wont come back round once you hear how that mack sounds i bet ya you'll back down ya know how to act now on ya life, niggaz i put a price that's right
