You can call me postman, don't go somewhere without some mail

In and out in 20 minutes, you best believe I'm makin' bail
Put you on designer watches, put you on designer frames
Had you cashin' out, payin' for, you can't pronounce the name
Had that Murcielago, it was green like margaritas
Sold yayo, I sold albums, might as well sell some tequila
Dropped so many Lambos, thought I was a Lam ambassador
Dropped so many Rollies, niggas thought I owned the Rollie store
Snow it's been a while, yeah you know them streets missed you
