Young

Chea

The recession is now here Feel like norm I'm gettin cheers I'm just speaking da truth Ain't my fault if it strikes fear Niggas heard it was a reccession The whole world went into a panic Glacier on my wrist Same thang that sunk the titanic Don't get frantic once you here the lyrics just chant it Ya'll not seen the bigger picture so stay out my frame I'm a menace to society cause I keep dat Kane Know you can't believe huh Straight from columbia Got da cubans on call like a nokia Mr.17 5 get it by da field Sell it by da batch And you better pay me fast Or I'll do you like yung berg Get cha chain snatched Kidnap yo kid you won't get either one back

It's young

Ауууууу

And I'm back

Аууууууу

And I'm back

I'm not a techer buts heres yo lesson
School of harknocks nigga
The recession
