

# What They Want

Young Jeezy

I told ya'll niggas I was gonna come back hard man  
You ain't heard this shit since thug motivation okay  
Hey hey hey

Hoes ain't shit, the money ain't nothing  
And if I nothing then it gotta be something  
And if it ain't something then it gotta be nothing  
And if he ain't showed the cash then he gotta be bluffin'  
My dog hit me up, he said he gotta lick  
He gotta bad jump shot, so he might shoot a brick  
Talkin' reckless on my line, now that's a technical foul  
Don't know what the fuck I'm talkin' bout, I'm hangin' up right now  
Nigga you ain't Nick Cannon and this ain't wildin' out  
I'm playin' my position, I ain't tryna foul out  
Instant replay, yeah we bout to find out  
Hey where the referee, I need to call a time out  
You know

If young is what they want  
Then young is what they gettin'  
They ask me what I do and I say teachin' for a livin'  
What you say nigga?  
And I can show you how to make mill right now  
And I can show you how to make a mill right now  
If young is what they want  
Then young is what they gettin'  
They ask me what I do and I say teachin' for a livin'  
What you say nigga?  
And I can show you how to make mill right now  
And I can show you how to make a mill right now

Said he just touched down, and he need a touchdown  
Second time he called today, I think he goin' all the way  
36 yard line, we goin' for the first down  
Fed's playin' defence, everytime they come around  
We goin' to the Super Bowl, if I make this field goal  
I understand you got me round this time we need a 3  
He trippin' bout that extra point, that means he want that extra joint  
Then chill and bring my extra cash, next time I see ya extra ass  
Huddle up, call the play, yeah I'm playin' quarterback  
4 way, 2way, but I bring a quarter back  
Weigh it up, bag it up, pass it to my running back  
My dog short on my pay that's a flag  
You know

If young is what they want  
Then young is what they gettin'  
They ask me what I do and I say teachin' for a livin'  
What you say nigga?  
And I can show you how to make mill right now  
And I can show you how to make a mill right now

Ninth innin' bases loaded I'm goin' for the grand slam  
Tax free, tax free ain't givin' shit to uncle sam  
Yeah, we playin' softball, we playin' softball  
Yeah I'm playin softball, the color golf balls  
Catch me in the out field, that's a whole lotta of grass  
Tryna buy the franchise, that's a whole lotta cash  
Damn right I'm savin' up, think I might buy the team  
Once I get my bounty up, tryna get my money clean  
Focus quick watch the pitch can't afford another strike  
If I can make it through this, shit then I can play another night  
Money right, money right, I gotta get my money right  
First I gotta get these O's so make sure you wrap 'em tight

If young is what they want  
Then young is what they gettin'  
They ask me what I do and I say teachin' for a livin'  
What you say nigga?  
And I can show you how to make mill right now  
And I can show you how to make a mill right now
