

Mystic Energy

Young Knives

When they brought me down
They stuck me through a curtain powered by a motor
Then they said some nice words
I think I recognize them from the last time I was here

I saw it in your eyes
You thought I couldn't know
So now they stick me six feet under
Make sure it's at home

Cherie my heart sings
Bury me darling

I feel a mystic energy
I feel it coming over me
And now they say it's time for me
I feel a mystic energy

Now my time has come
You know that I must go
Yes, we do know
Well, there's no one I want to see here
So can you take me home?

Cherie my heart sings
Bury me darling

I feel a mystic energy
I feel it coming over me
And now they say, it's time for me
I feel a mystic energy

Oh, he's dead
She said, ?He's dead?

I feel a mystic energy
I feel it coming over me
And now they say it's time for me
I feel a mystic energy

Oh, he's dead
She said, ?He's dead?
