

## Tailors

## Young Knives

Tailors are the best  
See them running with their brollies  
Workmen of the week

Sew my buttons on  
There?s no rushing perfection  
Workmen of the week

Button, button, button, button  
Needle, needle, needle, needle  
Cotton, cotton, cotton, cotton

Work the wordless week  
There?s no drudgery in detail  
Maker of the neat

Tailors are the best  
And tailors get you dressed  
Tailors are the best

Like their ancestors  
They are people of great passion  
Maker of the neat

Sewing, sewing  
Sewing, sewing
