

Give Up

Young Love

Changed my number 'cause of you
Can't believe it took me so long
People will tell you what you want to hear
I've got other girls that could give me money
You could be amazing in so many ways

I ask myself is there something left
I'll hold my breath and I wonder

I give up on you, I want to give up
But you make it so hard, you make it so hard
(I give up on you, I want to give up)

I know it feels, I've got nothing left
For us I wanted more is it over?
I've spent so much time trying to make it right
Now I know what lies at the end of this road

I ask myself is there something left
I'll hold my breath and I wonder

I give up on you, I want to give up
But you make it so hard, you make it so hard
(I give up on you, I want to give up)

I wanna let go, I can still feel it, feel it in you
I can still feel it, feel it in you

I give up on you, I want to give up
But you make it so hard, you make it so hard
(I give up on you, I want to give up)

I give up on you, I want to give up
But you make it so hard, you make it so hard
(I give up on you, I want to give up)

I give up on you, I want to give up
But you make it so hard, you make it so hard
