

# Take It Or Leave It

Young Love

Trying hard to have a good time  
You bring me down  
Always talking to another guy  
When we go out

Don't I hold you enough?  
It seems that I don't have much to say (nothing to say to you)  
Should I find someone else?  
Should I forget you like you were yesterday?

No, no  
Take it or leave it  
No, no  
I take it we're leaving  
No, no  
Take it or leave him  
No, no  
I take it you're leaving

Every time I try to get high  
You bring me down down down  
Wonder who I'm out with  
When you're not around

I can't stop thinking about you (I'm trying)  
I don't know why you do the things you do  
This was fun high five our time is up I guess  
I'll see you around see you around see you around

No, no  
take it or leave it  
No, no  
I take it we're leaving  
No, no  
Take it or leave him  
No, no  
I take it you're leaving

Trying hard to have a good time  
Trying hard to have a good time  
Trying hard to have a good time  
Trying hard to have a good time

No, no  
Take it or leave it  
No, no  
I take it we're leaving  
No, no  
Take it or leave him  
No, no  
I take it you're leaving

No, no  
Take it or leave him  
No, no  
I take it you're leaving
