

Take It Or Leave It

Young Love

Trying hard to have a good time
You bring me down
Always talking to another guy
When we go out

Don't I hold you enough?
It seems that I don't have much to say (nothing to say to you)
Should I find someone else?
Should I forget you like you were yesterday?

No, no
Take it or leave it
No, no
I take it we're leaving
No, no
Take it or leave him
No, no
I take it you're leaving

Every time I try to get high
You bring me down down down
Wonder who I'm out with
When you're not around

I can't stop thinking about you (I'm trying)
I don't know why you do the things you do
This was fun high five our time is up I guess
I'll see you around see you around see you around

No, no
take it or leave it
No, no
I take it we're leaving
No, no
Take it or leave him
No, no
I take it you're leaving

Trying hard to have a good time
Trying hard to have a good time
Trying hard to have a good time
Trying hard to have a good time

No, no
Take it or leave it
No, no
I take it we're leaving
No, no
Take it or leave him
No, no
I take it you're leaving

No, no
Take it or leave him
No, no
I take it you're leaving
