

Inside my heart there's an empty nest (empty nest)
a heavy hate on a hollow chest (hollow chest)
Soft spoken like a disease
is the way to incomplete me

Can you shake this hollow night? (hollow night)
Through my breaths, you're the highest high
Tell the truth or trust a lie
Is this hello, or is it goodbye?

Is this the low, or is this the high-igh-igh-igh?
high-igh-igh-igh high-igh-igh-igh
Just let it go enjoy the ri-i-i-ide
Without the low there ain't a high-igh-igh-igh
High-igh-igh-igh

I found a ghost in the city lights (city lights)
Where all my wrongs have turned to rights (ahh)
Heart broken into pieces (pieces)
It ain't a way we should live

From the ground up we will rise (we will rise)
I tipped my hat to the highest high
Every day is a compromise

If this is low, I'm looking for high-igh-igh-igh
high-igh-igh-igh high-igh-igh-igh
Just let it go enjoy the ri-i-i-ide
Without the low there ain't a high-igh-igh-igh
high-igh-igh-igh

'Cause all we need is love
and love means sacrifice
But it's sure worth the prize
if you get it right (eh!)
'Cause way up in the sky
there's no such thing as blind

So tell me is this low, or is this the high-igh-igh-igh?
high-igh-igh-igh high-igh-igh-igh (eh!)
Just let it go enjoy the ri-i-i-ide (eh! eh!)
Without the low there ain't a high-igh-igh-igh (eh! eh!)
high-igh-igh-igh (eh!)

high-igh-igh-igh high-igh-igh-igh high-igh-igh-igh (eh!)
Just let it go enjoy the ri-i-i-ide (eh! eh!)
Without the low there ain't a high-igh-igh-igh (eh! eh!)
high-igh-igh-igh
