Young Scooter

You know I'm a big better  
Black Migo Gang  
I got too much money to be holding this shit

Walk out a casino with a half a mil  
I'm a big better, I'm a big better, I'm a big better  
I bet LeBron win that shit again  
I'm a big better, I'm a big better, I'm a big better  
I say Floyd never lose a fight  
I'm a big better, I'm a big better, I'm a big better  
Black jack they gotta pay me twice  
I'm a big better, I'm a big better, I'm a big better

Left right, right, right, hit 'em Mayweather  
Hit 'em Mayweather, hit 'em Mayweather, hit 'em Mayweather  
Every stack I bet you twenty, nigga  
I'm a Mayweather, I'm a Mayweather, I'm a Mayweather

45 ain't low and out of that he knocked out 26  
Ortiz tried to sneak a shot he knocked him out for that shit  
I floated... how you know his test ain't legit?  
Back with the money team, automatic double lip

Walk out a casino with a half a mil  
I'm a big better, I'm a big better, I'm a big better  
I bet LeBron win that shit again  
I'm a big better, I'm a big better, I'm a big better  
I say Floyd never lose a fight  
I'm a big better, I'm a big better, I'm a big better  
Black jack they gotta pay me twice  
I'm a big better, I'm a big better, I'm a big better

Crunch time fade-away LeBron all net  
For every stack I bet you 50, 000, call the check  
He the best to play the game but still ain't finished yet  
I'm talking crazy with the rock, how he kill them with finesse  
Back to back championships, now it's time to three-peat  
Black on black Rari that I bought, beating with the Heat  
LeBron running circles around you jerks, like a track meet  
Put you on a poster, talking 360 backing

Walk out a casino with a half a mil  
I'm a big better, I'm a big better, I'm a big better  
I bet LeBron win that shit again  
I'm a big better, I'm a big better, I'm a big better  
I say Floyd never lose a fight  
I'm a big better, I'm a big better, I'm a big better  
Black jack they gotta pay me twice  
I'm a big better, I'm a big better, I'm a big better

Fastball, Red Sox  
Bird call, Seahawks  
Real nigga, green dot  
All of my brothers we don't even got the same one  
Floyd Mayweather, Floyd Mayweather  
Bird crank that G5, move in any weather  
Nigga winning like Kobe (?) is still together

No disrespect to Drama, LeBron gon' be way better

Walk out a casino with a half a mil

I'm a big better, I'm a big better, I'm a big better
