

# Girl Like You

Young Scooter

Ain't never met a girl like you  
I love everything about you  
(Ain't never met a girl like)  
Ain't never met a girl like you  
You're shining like a diamond, boo  
I've never met a girl like you  
I love everything about you  
(Ain't never met a girl like)  
I've never met a girl like you  
You're shining like a diamond, boo  
You turn the lights down

I've never met a girl like you  
Who could do the things that I do  
You .. foreign, too  
I knew there's something special about you!  
I love when I'm sexing you  
... she put me on the move.  
BIG I already die about you  
Shit, I made a mill or two.  
You're shining like a diamond, girl  
Let's go to black negro world!  
She told me her daddy applaud  
You know I'm about to marry this girl.  
Ain't never met a girl like

Ain't never met a girl like you  
I love everything about you  
(Ain't never met a girl like)  
Ain't never met a girl like you  
You're shining like a diamond, boo  
I've never met a girl like you  
I love everything about you  
(Ain't never met a girl like)  
I've never met a girl like you  
You're shining like a diamond, boo  
You turn the lights down

You're shining like a auto Lamborghini  
Oh yeah, you're shining like a auto Lamborghini ok, ok, ok  
And your swag is... out of space (space)  
Yeah, your swag is so over, is out of space, is out of space, ok!  
You gotta reach the mean  
There go the other the other teams  
I'mma take you to the hood  
Make sure your body sins.  
The way you and me mingle, it's like I'm still single  
I could pick any girl, the... is crying... turn  
You let me have my fun, you let me fuck her in the john  
We're in our private sweet, when Nicki dancers is having fun  
She wrote her feedback game... ain't the same  
I asked her, was it real?  
She went ...my name

Ain't never met a girl like you

I love everything about you  
(Ain't never met a girl like)  
Ain't never met a girl like you  
You're shining like a diamond, boo  
I've never met a girl like you  
I love everything about you  
(Ain't never met a girl like)  
I've never met a girl like you  
You're shining like a diamond, boo  
You turn the lights down

I never met a girl, I swear  
I promise we're a perfect match  
To my partners, girl, I always brag  
A lot of your friends gonna be mad.  
We worth fifty million dollars together  
I could change your life forever!  
Girl, let's live life forever,  
Making love on rose petals!  
I don't even cheat no more,  
Girl, you got my life together  
So if you ever cheat on me  
You gonna break my heart forever!

Ain't never met a girl like you  
I love everything about you  
(Ain't never met a girl like)  
Ain't never met a girl like you  
You're shining like a diamond, boo  
I've never met a girl like you  
I love everything about you  
(Ain't never met a girl like)  
I've never met a girl like you  
You're shining like a diamond, boo  
You turn the lights down
