And you can bring it back if you done bust a rapper
My daughter 4 months, bricks in a pamper
I'm a role master, I love Tampa
You say you from the streets than I gotta stamp ya
Grant Jackson, Ben Franklin
If money through with you then you ain't gonna make it
The streets will give it to you and the streets will
take it
Every nigga in the streets got no patience

I got money habits, I got money habits
Every time I see some money yeah I gotta grab it
I got money habits, I got money habits
Daydreamer seeing money, talking been franklin
I got money habits, I got money habits
Every time I see some money yeah I gotta grab it
