

# Shake My Hand

Young the Giant

I'm telling you I'm okay  
You're telling me there's no way now  
You're words evaporate

I'm at home I'm watching TV  
You think you know what I see now  
Life ain't silver screen

Cuz I'm way down deep in the dirt  
But oh, baby  
I make the best of the hurt

Don't wait for me  
My life  
Ain't worth your worries

Or Stay with me  
My love

I'm telling you I'm okay  
You're telling me there's no way now  
Don't play me for a fool

Being alone really ain't that bad  
Do you think I'm really that sad  
Oh no!

Cuz I'm way down deep in the dirt  
But oh, baby  
I make the best of the hurt

Don't wait for me  
My life  
Ain't worth your worries

Or Stay with me  
My love

Hey! (10x)

Oh oh oh oh, wo oh oh
