

Bonjour

Young Thug

Um...

Thugga Thugga, babe

Say what up?

Free bars

I'm having sex with molly

Fuck a bodyguard

Duey Kartel gone guard my body

Cause I'm iced out

But this ho right here she's a real hottie

Make me fuck around and climb on the top rope like Scotty 2 Hot
ty

Powerbomb, baby

No actually these are powerbombs, baby

And I hope they make it so I can go and get me some baby

And she tries babe

My blunt stay like red babe

Try to rob, put some sight upon his head

That's a power bomb baby!

Ball everyday no set back

I tell her: whip this here, then go get that babe

And these niggas, they ain't hard they like wet crack babye

Treat his body like two bricks, just split that babe

On the old watch for new reason

Got a wear coat with my jewels like it's flu season

Just bought my son a blue coat

Like he was Four Seasons for no reason

But my whole crew is obese

And grab me and just gave me sixteen bars on the track but I know he teasin'

But I'm Thug!

In a brand new whip, it's just me my friend

Look out the corner of my eye, I'm thinking again

Bonjour, 'ey, Bonjour, my friend

I, I'll kill a nigga for you cause you're like my kin!
