Drinking on that diesel like a pig

Every given sunday I got birds on the oneway, yeah the conway
Dreads braided to the back like a mother fucking cliché
When she tell me it's too fucking fast I'm like no way
Please don't ask if I wanna see it, I'm like show it

If she get that dick hard you know I'm pokin'
Put that pussy on my head like a fucking Motrin

My diamonds still moving when I'm not in motion
I pour fours of the Ac in phantoms and toast it
