Got so many spots in my house, that bitch'll ask, hold up  
Ho get one pair of trues and act like she married, hold up  
Wait, when she wanna fuck my tats she be embarrassed  
In the club vibin' all real diamonds call that the?  
So many tats on my leg that bitch say it look like I got on army packs  
Money done got a little longer  
Try and take you gone need 100 plans  
Like hold up, wait  
I'mma giant, you small, triple A, watch out  
Diamonds on my neck are all covered in ice  
100k bezel whenever I shoot guns  
Drank all of syrup I'ma fight my dogs like Mike

Stay high like I live in the sky
