Young Thug

Ya, know what I'm saying brody

Yeah you know your lil bro gonna take that shit nigga

I'm just too bad to be shy
Dropped up out of school in sixth grade
Got money like six ways
Now I cooked so many babies I need my tubes tied
Drinking on that pink lemonade
My wrist servin' parade
Then tell her if she like money then tell her to fuck with me
Let me know if she like money so I can fuck with her
Yeah, I'm droppin' them bands every time I slut with her
I got to fuck with her, you got to fuck with her
Okay cool

Her little sister adorable
Thats a big dog, real talk and I'm gonna all in bout her
And she never ever got high but I'm dancing with the stars
And she know every time I walk past I'm shitting on her boy
