I guess I got your respect
Cuz the Indian got your back gyal, yeah
I want you to drop it, low pick it up and bring it back, gyal
And I know you see me in this club with these bands on me
Stayed for four songs till she ran down me
Powder of what else on me
I got rose gold chains 'round my neck cuz I'm a black dude
She didn't wanna f**k me, she wanna f**k my tattoos
I'm a tat dude, I was splat dude

In the club wit 50 hoes ain't nan one of them arguin'
