How the fuck a nigga gon' try tell me  
Bout the motherfucking ice that I'm rocking  
'Bout the motherfucking bitches that I'm fucking  
And, sucking and putting them in a bucket then  
Beat that pussy up like it's the twelfth round  
Up in niggas towns with my zoe pounds  
I don't go around since it come around  
Wet diamonds in my mouth if I kiss her she drown  
If I leave a nigga white T-Shirt red  
It'll be a peppermint or a baseball nigga  
I know they sick and tired of hearing bout my jewellery but if it fall  
On the ground yeah you might just slip and fall nigga
