

So I just came out the booth to God damn to hear this, you hear this shit right here? And my niggas, niggas just sayin', bruh I just told him the same s hit. Them niggas just told these girls that he do it all by the sink. It's crazy, cray-cray, I did though, you know what I'm sayin'? With a golden shove l lifestyle, AP plus a Rollie bezel on another level

I say bitch what is you thinkin', we are the blinkin'  
Bitch ass on me and I got rank and I'm steady rankin'  
Better stop listenin' to these hoes 'fore you start shrinkin'  
I know I'm a blood, I'm a gang banger  
I know where the bitch but I'm still singin' too  
Mothafuck the rest, they ain't really bangin'  
I got the real hitters with me and they bangers  
You can't find 'em on no camera but they no namin'  
Washin' powder bae on Tide, I've been up all night  
Me and bae Bonnie Clyde, everything we do right  
Love her vibe, love her vibe, she make me feel so nice  
She 100, the first day we met she let me fuck all night

Ah-ah-ah, work  
Do the work baby do the work  
Tonight baby do the work baby do the work  
Tonight I wanna chill all you gotta do is Perc  
If you want it you gotta earn it  
You gotta earn it, you gotta earn-earn-earn it  
If you wanna be with me you gotta earn it  
Alright, earn-earn-earn it, aye

I can tell that you want it baby, I can tell that you need it  
I can tell that you suckin', fuckin', I can tell you a demon  
I can tell you a big torrie baby, I can keep your secret  
I'ma show you how to win without cheatin', I'ma show you how to beat it  
Drop top in a with a big tall demon  
I elect you to feed me, I'ma lead you to victory  
Like shoutout to Stevie but these niggas not seein' me  
I'm a big daddy and these niggas not beatin' me  
Aye, I'm scared to trust you, I'm scared you'll trick me  
I done drive by in a foreign car but they're still tryna eat me  
Put 60,000 on my mama ring and it ain't even come out of Tiffany's  
I can tell you how to get the money but you just gotta listen to me

Ah-ah-ah, work  
Do the work baby do the work  
Tonight baby do the work baby do the work  
Tonight I wanna chill all you gotta do is Perc  
If you want it you gotta earn it  
You gotta earn it, you gotta earn-earn-earn it  
If you wanna be with me you gotta earn it  
Alright, earn-earn-earn it, aye

I picked my diamonds out a honey tree  
I done made a couple millions off of BET  
I got gangster bitch that ride and they gon' clap for me  
I just signed a deal with Kevin baby clap for me  
Won't without Hondas on me  
G check with I pull up on 'em  
Peep that with my little homies

I see all these little clonies (who?)  
I see you lookin' homie  
Apple Watch with them boogers on it  
Turn down, upside, right baby girl like I'm cookin' on ya  
I got 7,000 for my last 30 shows (do the math)  
I done spend a half a million for my family though  
I think it's time to take my homie there right on a boat  
Show them a good time cause I know that dude'll find me, oh

Ah-ah-ah, work  
Do the work baby do the work

Build a bridge, you better not burn it, aye  
Better be the number one concern with, aye  
I got big dogs and they German, aye  
Aye, aye, aye, aye
