

Take Care

Young Thug

Better day, better day
See better days, ayy
Yeah!

A hood girl with a missin' tail light
You got me stopping at the green light, light yeah
I'll set you good, I'm off a bean right
And I know you want a savage to give you a ring right (so good!)
Sexin' on drugs, oh yeah, yeah
Leave a little money on camera, woah woah
You remind me of Erykah Badu, you're on go
Thinkin' 'bout masturbating to your nudes, yeah, yeah
Take care
Take care, all right
Yeah she fire right by
Yeah I'm gon' sleep with you every night
Yeah yeah

Supposed to win
I'm gon' pose for you
We supposed to lose
Yeah 'posed to

Maison Margiellas, they ain't come with no strings, and the jeans Rockafelle
r
Wraith umbrella for the hoes in the club when I throw my cheddar
She got Chanel mailbag, I'ma gon' letter, I'ma gon' let her
Every day I say free Act, lifetime rebel, do it for the fellas
I don't want that bitch, annoys me
Eat on my dick and she rode me
I fuck her hard like she owin' me
Put in this dick, now she done with me
My prices cheaper than Dollar Tree
I mastered math like white collars, B
Open your mouth like you yawning
Double cup feature, it's Barney
I'm with the dogs and we barking
I'ma take off like a Martian
Fuck her and leave her my marking
Bust on that ho, I'm just marking
Look at these niggas, they markers
Ready for war like a Spartan
You can't block me like I'm Marshawn
My bro got a sound like a marker

A hood girl with a missin' tail light
You got me stopping at the green light, light yeah
I'll set you good, I'm off a bean right
And I know you want a savage to give you a ring right
Take care
Sexin' on drugs, oh yeah, yeah
Leave a little money on camera, woah woah
You remind me of Erykah Badu, you're on go
Thinkin' 'bout masturbating to your nudes, yeah yeah
Take care
Take care, all right
Yeah she fire right by

Yeah I'm gon' sleep with you every night
Yeah yeah

Bill Gates, I'm your stepson
I'm so proud to share your genes on your backbone
Thank you God, 2017 new G-Wagon
I play ring around the rosey with my stepson (oh shit, get 'em)
Off a purple potion
Nigga ain't braggin' or boastin'
Ten rack tags and I'm ghost
All white Porsche like lotion
Everybody checkin' my motion
AP's, Rollies, and Pateks
Broke nigga stop that madness
And you hoes need to stop that scrambling
Living two minutes from Trip on these hoes, make 'em panic
I did 'em wrong and I meant it
You Derrick Rose and I'm winning
I'm 'bout these four bars, relentless
I'm tryna put my nut in you really
I'm tryna put my butt in some skinnies
I'm charging my bitch a new Bentley, ayy

A hood girl with a missin' tail light
You got me stopping at the green light, light yeah
I'll set you good, I'm off a bean right
And I know you want a savage to give you a ring right
Take Care
