Put my hoe friend out the spot, you know she listening
And I might be in some trouble if she mention it
I might get a bitch a band, just to look at them
I done iced out my gold rollie
It look better than a trophy
All these bitches conniving, I know all these bitches want me
They gon' fuck my lil homie, yeah, yeah, they bogus

Suck dick and get an allowance
What do they know about my swag?
How many bands in my bag?
Bitten and curbing the style
Fifty-six thousand on cabs
Paid for my test I did not have to cheat
I am no Beyonce but I'm a big B
I got extendos, not talking no teeth

You smoking Indo, don't stand next to me
I get my weed from Snoop Dogg, it's OG, yeah
Money still growing on trees, yeah
Rich nigga ride with police, yeah
Won't jeopardize none of these pieces, yeah
