She need to come back, but I'm a true blood, she need to bome back
She wear boy clothes, her crack, she never show that
Class where it's at, she a real gnat, she a true brat
She gone bring it back, see I'm Papi, I mean Thuggie
I might cop it
She got cute feet, she got nice teeth
She got good hair, her eyes droppie

I can camel you, I can mammal you
I can miss you, David Banner you
Air force 1's, Air force 2's
We can fly too, we can fly a few
It don't matter to me, it don't matter to you
I'mma seahawk in the flyin' coupe
I'll see outta you, I'll paddle you
Like a biker [?], I'll saddle you
Like an earthquake, shake salad you
Put wood in you like a paddle, boo
